December 2024

Dear Friends,

The Friends of Brooks Memorial Library invite you to make a contribution in support of our Annual Appeal. We view our library as the heart of our community and work hard to raise funding to expand, diversify, and enhance all that the Brooks Library already offers by way of its budget. Your financial support enables us to further expand library services and programs by purchasing museum membership passes, updating technology, offering high quality programming for patrons of all ages, and sponsoring special events throughout the year, among other things.

Friends funded offerings help make our library a more vibrant, inclusive, and enriching place for all community members. Some specific new offerings this year include: Montshire Museum of Science and Living Memorial Park (pool and rink) day use passes, a new portable DVD player and external hard drives, the SilverCircus program for older adults, a juggling workshop for children, nature journaling workshops, and a Brooks in Bloom community evening.

We couldn't do this without YOU! We welcome any ideas you may have. Thank you for your donation.

Sincerely yours,

Karen Duggan, Co- President  
Friends of Brooks Memorial Library

Susan Dyer, Co- President  
Friends of Brooks Memorial Library

Ann Varilly, President  
Board of Trustees
